Information : A 10-point grading system is followed. Letter grades, A=10, A-=9, B=8, B-=7, C=6, D=4 and F=0. SPI is ratio of sum of (grade/10)* credits of enrolled courses in the session to the total enrolled credits in the session. CPI is similarly computed considering all enrolled in the program.

Instructions : Performance indices can be transformed to percentage of marks, computed as (performance index * 0.5) * 10.
