Dear Company,

My name is Raghava Gatadi, and I am a cybersecurity professional with expertise in detecting and responding to cybersecurity incidents. I have successfully completed the Google Cybersecurity Certificate, which has equipped me with the skills and knowledge necessary to excel in this field.

Additionally, I have a strong understanding of Governance, Risk, and Compliance (GRC). My experience also extends to areas such as ethical hacking and web security, where I have developed a keen insight into protecting systems and data from various threats.

Best regards,
Raghava Gatadi
